

PAX CHRISTI COMMUNITY COUNCIL MEETING
Tuesday, December 12, 2007

PRESENT: Sue Kelley, Bruce Koehn, Carolyn Zucker, Maret Ryan, Fred Baumer, Michael Karas, Dave Barczak, Dave Faulise, Tom Keane, Rosemary Daley, Tim Elmer Kristin Sankovitz (Parish Trustee)

ABSENT: Fr. Kennedy, Tim Kosiek (Parish Trustee)

TOPIC: November Minutes

- Minutes approved as written with attendance correction

TOPIC: Leadership Formation

- This will occur next month in place of monthly council meetings
- Vicki Klima will facilitate a discussion regarding “What is Christian leadership and how is it carried out at Pax Christi?”

TOPIC: Elder Vision Group Report/Next Steps

- The Community Council reviewed the feedback of the Vision Elder Group (VEG)
- The VEG determined that the heart of the problem in synthesizing the visions of the various ministry councils is that the Parish vision is too broad and passive and does not compel action; the Parish vision is about the “now” that existed at the time the vision was created as opposed to being about where the Parish is headed
- The Community Council determined that it needs to have an additional session in January 2008 to work on the Parish Vision and determine what we are trying to do at this point (Are we creating a statement? Or a behavior/action? Are we an intentional community or an “all are welcome” community? Are these mutually exclusive? Who decides this?)

TOPIC: Committee Updates – Communications and Building

- Communications Committee will be chaired by Carolyn Zucker; want to get interested persons from the inventories to participate
- The Master Planning Committee has been formed (8 members) and will be chaired by Joan Roethle; will hold its first meeting on December 18, 2007

TOPIC: New/Old Business

- Please pick up second name tag and wear it to masses; we hope this will welcome comments/questions from parishioners
- All comments or questions that need follow-up should be directed to Bruce Koehn for now

Minutes respectfully submitted by Kristin Sankovitz, Secretary
